**First Grade Science**

- Introduction to Butterflies

- Understanding Insect Life Cycles
- Identification by design of head
- Designed for Motion
- How Insects defend themselves
- How Insects Communicate

### **First Grade Health**

- Taking Care of My Body
- Identifying the parts of the body
- Habits for Tooth Care
- Bible Verse Theme
- A Path to Good Health - Roadmap
- Taking Care of My Clothes
- Health Check Sheet

### **Second Grade Math**

- Place Value – ones, tens, hundreds and thousands place
- Introduction to Fractions
- Time to the Quarter Past and Half Past the Hour
- Carrying to the Tens, Hundreds and Thousands Place
- Introduction to Multiplication (3,4,5) Family
- Basic operations (adding with two digits with carrying) (subtraction two digits without borrowing)
- Introduction to time and money concepts
- Introduction to Roman Numerals

### **Second Grade Science**

- Introduction to Butterflies
- Understanding Insect Life Cycles
- Identification by design of head
- Designed for Motion
- How Insects defend themselves
- How Insects Communicate

### **Second Grade Health**

- Taking Care of My Body
- Identifying the parts of the body
- Habits for Tooth Care
- Bible Verse Theme
- A Path to Good Health - Roadmap
- Taking Care of My Clothes
- Health Check Sheet

### **Third Grade Math**

- Drawing Lines to One-half inch
- Introduction to Measurements (cups, pints, quarts and gallons)

- Multiplication Table 0-12
  - Timed Quizzes
  - Board Competitions
- Measuring to nearest half inch and centimeters
- Counting Quarters, nickels, dimes and pennies
- Review of Greater Than and Less Than
- Timed drills – Basic Operations (+ and -)
- Subtracting Whole Numbers with borrowing
- Roman Numerals 1-12

### **Third Grade Science**

- Introduction to Butterflies
- Understanding Insect Life Cycles
- Identification by design of head
- Designed for Motion
- How Insects defend themselves
- How Insects Communicate

### **Third Grade Health**

- Taking Care of My Body
- Identifying the parts of the body
- Habits for Tooth Care
- Bible Verse Theme
- A Path to Good Health - Roadmap
- Taking Care of My Clothes
- Health Check Sheet

### **Fourth Grade Math**

- Estimating Quotients
- Adding Fractions with Common Denominators
- Review Standard Notation
- Subtracting Fractions with Common Denominators
- Simple Measurement Equations
- Rapid Calculations and Timed drills – Mad Minutes (3min)
- Mixed Numbers
- Review money concepts
- Introduction to Checking Division with a Remainder

### **Fourth Grade Science**

- Introduction to Butterflies
- Understanding Insect Life Cycles
- Identification by design of head
- Designed for Motion
- How Insects defend themselves
- How Insects Communicate

## **Fourth Grade Health**

- Taking Care of My Body
- Identifying the parts of the body
- Parts of My Skin
- 1 Cor. 10:31 Bible Verse Theme
- A Path to Good Health
- Habits for Ear Care
- Habits for Eye Care
